

JUDICIAL SERVICE COMMISSION
OFFICIAL NOTICE
APPOINTMENT OF JUSTICES OF THE PEACE

The Judicial Service Commission invites applications for appointment as Justice of the Peace.

Justices of the Peace perform duties which are essential to the administration of justice in Gibraltar. Not only do they preside over criminal trials in the Magistrates' Court but they undertake important duties such as the issue of search warrants and attesting signatures for official documents. They may be required to sit at least twice a month as well as sign warrants outside working hours. The work is unpaid but constitutes a vital public service.

Justices are appointed by the Governor acting on the advice of the Judicial Service Commission and are on the active list, if they so wish, until they reach the age of 72.

It is intended to make several new appointments and members of the public are invited to apply for appointment. Any British subject, resident in Gibraltar, is qualified for appointment.

Further particulars and application forms may be obtained from the Gibraltar Courts Service website at www.gcs.gov.gi under 'Selection Processes'.

Applications should be addressed to the Secretary, Judicial Service Commission, c/o The Chief Executive Officer, Gibraltar Courts Service, 32-36 Town Range, Gibraltar, or sent by email to secretaries@gcs.gov.gi to reach her no later than Friday 16 June 2023.
