**New Gibraltar Courts Service Website**

The Gibraltar Courts Service has today launched its new website at the same address – [www.gcs.gov.gi](http://www.gcs.gov.gi)

Following issues that made our old website unworkable, we have completely redesigned a new website with the user in mind. We will continue to develop it over the coming months by updating and adding additional information and features.

We will also continue to work with our uploaded judgments and sentencing pronouncements so that the search function is maximised.
