Circ. 1 of 2022

Covid-19 – Supreme Court Jury Trials

In light of the high number of new daily Covid cases; the significant sustained community transmission of Omicron and having consulted the Director of Public Health, the Chief Justice has directed that Supreme Court **jury trials** that are listed to commence on or prior to 31 January 2022 be vacated.

Defendants will, however, have to surrender to bail on what would have been the first day of the trial when the matter will be relisted.

All other Supreme Court hearings remain unaffected.

The position will again be reviewed at the end of January.
