Circ. 3 of 2022

### **Covid-19 – Supreme Court Jury Trials – Update**

The position with jury trials continues to be reviewed in light of the ongoing numbers of new daily Covid cases. Having once again consulted the Director of Public Health, the Chief Justice has directed that Supreme Court **jury trials** that are listed to commence on or prior to Monday 28 February 2022 be vacated. Defendants will still have to surrender to bail on what would have been the first day of the trial so that the matter can be relisted.

As before, all other Supreme Court hearings remain unaffected and the position with jury trials will continue to be reviewed on an ongoing basis.
