## CIRCULAR TO ALL CHAMBERS

22 May 2026

Circ. 4 of 2026

### **Review of the Court's jury management procedures**

Following the adjournment of a number of jury trials as a result of juries being discharged, the Chief Justice has undertaken a review of the Court's jury management procedures. Changes have been implemented which are intended to reduce the likelihood of adjournments in certain cases. In particular, jurors will now be placed on standby for a period following their selection and may be required to attend court at short notice.

The opportunity has also been taken to update the way in which persons summoned for jury service interact with the Registry and access relevant information, including through the Gibraltar Courts Service website.

Further measures are being considered by the Chief Justice
