CIRCULAR TO ALL CHAMBERS

8 April 2020

Circ. 6 of 2020

Registration of Lasting Powers of Attorney

This circular sets out how applications can be made during the period that the Registry remains closed pursuant to the Supreme Court (Covid-19 Contingency) Rules 2020.

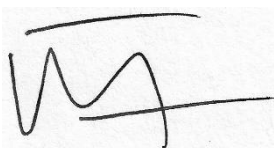

Applications for registration of an LPA may be sent in pdf format to registrar@judiciary.gi. The electronic copy of the LPA to be registered must be certified as an accurate copy in the covering email. The email must come from the donor or a barrister or solicitor approved, admitted and enrolled to practice in Gibraltar (“Gibraltar Lawyer”). It follows that electronic applications made by donees will require a separate direct email from the donor or a Gibraltar Lawyer certifying the copy of the LPA.

Payment by BACS transfer of the prescribed fee, using the words ‘LPA’ and the name of the donor as the payment reference, is also required. Details of the Supreme Court Account are set out below-
